

**DIRECTIONS TO THE VERMONT
STATE COLLEGES OFFICE IN
WATERBURY, VERMONT**

From I-89 North, take the Waterbury exit, number 10, and bear left. At the bottom of this slight hill, take a left turn onto Main Street.

From I-89 South, take the Waterbury exit, number 10, and bear right. At the bottom of this slight hill, turn left onto Main Street.

(The following is the same from both directions.)

Go through town to the second light and turn right at the lights. The VSC building is the first brick building on your left (you can see it as you turn down the street) and it is called Stanley Hall.

Park in the front of the building and go in the front entrance.
